Deluxe BOX Various Artist - DIGGIN' IN THE GOLDMINE - DUTCH BEAT NUGGETS

In the 1960s, the Netherlands had one of the most vibrant and creatively fertile music scenes on the planet. A beat music explosion triggered a full-blown youth revolution, transforming the country forever. A uniquely Dutch strain of rock and pop music — Nederbiet — was its soundtrack. Hundreds of Dutch beat, pop, blues, and psychedelic records were released between 1965 and 1970, and the overall quality was extremely high.

DUTCH BEAT NUGGETS is the most comprehensive collection of Nederbiet music ever assembled, showcasing many of the greatest and rarest Dutch singles: 8 CDS with 201 tracks by 100 bands — more than nine hours of top quality sounds from 1965-1970, many of them appearing in the digital realm for the first time. All are sourced from the original masters, in their original mono mixes, except in the rare instances that the original releases were in stereo.

This lavishly-packaged anthology includes a 204-page hardcover book with track-by-track liner notes by Mike Stax, an overview of the most important Dutch recording studios by Peter Voskuil, and an essay about the history of Muziek Express magazine by editor-in-chief Ruud van Dulkenraad. The book also features more than 800 full-color and black and white images, including all the relevant picture sleeves, rare and previously unseen band photos, five years of Muziek Express magazine covers, unique gig and festival posters and lots more. DUTCH BEAT NUGGETS is a spectacular monument to an era of thrilling, transformative music.

Deluxe BOX Various Artist - DIGGIN' IN THE GOLDMINE - DUTCH BEAT NUGGETS

In de jaren zestig had Nederland een van de meest creatieve en opwindende muziekscenes ter wereld. Een unieke mix van rock en pop - Nederbiet genaamd - vormde de soundtrack van de sixties generatie. Tussen 1965 en 1970 zagen honderden Nederlandse beat-, pop-, blues- en psychedelische singles het licht. De muziek was nieuw, bijzonder en extreem. De enorme explosie van beatmuziek leidde tot een ware jeugdrevolutie, die Nederland voor altijd veranderde.

DUTCH BEAT NUGGETS is de meest uitgebreide verzameling Nederbiet ooit uitgegeven en veel van de meest legendarische en zeldzaamste Nederlandse singles staan er op: 8 cd's met 201 tracks van 100 bands. Meer dan negen uur lang topklanken uit de periode 1965-1970. Veel nummers verschijnen voor het eerst op cd en zijn allemaal afkomstig van de originele studiomasters, in de originele mono mixen - behalve in enkele zeldzame gevallen waar de originele single-uitgaven in stereo het licht zagen.

Deze rijkelijk uitgevoerde en geïllustreerde luxe DUTCH BEAT NUGGETS Box bevat een hardcover boek van 204 pagina's met track-by-track liner notes van Mike Stax, een overzicht van de belangrijkste Nederlandse opnamestudio's van Peter Voskuil en een essay over de geschiedenis van het tijdschrift Muziek Express door hoofdredacteur Ruud van Dulkenraad. Het boek herbergt meer dan 800 kleuren- en zwart-wit afbeeldingen, inclusief alle singlehoezen, zeldzame en nooit eerder gepubliceerde bandfoto's, vijf jaar tijdschriftomslagen van Muziek Express, unieke concert- en festivalaffiches en nog veel meer. DUTCH BEAT NUGGETS is een ronduit spectaculair, zinnenprikkelend monument van een tijdperk vol revolutionaire muziek.
